

Annual BPNT Candlelight Ski-Mark your calendars!

Beaten Path is hosting our 4th annual Candlelight Ski/Snowshoe at LFRC, scheduled for the evening of Friday, February 10th, 2017 (the night before our annual Chocolate Cup).

Last year's event was a huge success, drawing in 150 people of all ages from the community, both BPNT members and nonmembers.

Everyone enjoyed spending a fun-filled evening together; a ski or snowshoe around the candlelit golf course, followed by snacks, draws and socializing upstairs at Mo's.

At this time, we are seeking items for this year's auction and draw tables. If anyone is interested in helping us out by making a donation, this would be greatly appreciated. Given the number of talented members in our club and in our community, we have even received some handcrafted things to offer! Any item, big or small, will help to make our tables more exciting! We value your contributions and will acknowledge those who donated at our event.

Donations may be dropped off at either Trish Anthony's (597-5581) or Anna Fotheringham's (597-8776) by February 1st. Please call to arrange drop-off or pick-up.

We are hoping that everyone can make it out for this fun-filled evening. Please spread the word! We welcome both members and non-members, skiers and snowshoers! For more info., feel free to call Trish or Anna at the numbers above.
